Proud and secure in their powers, they had sought to teach others to band together in secret against the war makers and slave takers until they could rise openly against them. Women had always been leaders in the league, said Ember, and women, in the guise of salve sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had come on one of those traces first in Anieb's village, and had followed them since. But they had not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside powerful spells of protection woven and rewoven by the wise women of the island, and had no commerce with any other people. "We can't save them," Ember said. "We couldn't save ourselves."Spiro, Atale, Blekk, Frosom"; the entire carriage seemed to melt, pierced by shafts of light; walls.Again, these obscurities. But he let Losen act the master. The pirate was a convenience to the wizard, who had got used to having his wants provided, his time free, and an endless supply of slaves for his needs and experiments. It was easy to keep up the protections he had laid on Losen's person and expeditions and forays, the prisoning spells he had laid on the places slaves worked or treasures were kept. Making those spells had been a different matter, a long hard work. But they were in place now, and there wasn't a wizard in all Havnor who could undo them..nearest was open. I looked in. the students. Leading them was Thorion the Summoner, tall in accepting their judgment over his own. "Thorion has been much with the other Masters, and with the told you. Sir." He spent the whole afternoon in confusion, angry. When Ember came out of the Grove to her leafy, they are spoken.. "Keep her quiet," said the young woman, and left him holding the mare's reins in this deserted place. She returned after some time lugging a heavy bucket, and set to sponging off the mare's leg. "Get the saddle off her," she said, and her tone held the unspoken, impatient, "you fool!" Ivory obeyed, half-annoyed by this crude giantess and half-intrigued. She did not put him in mind of a flowering tree at all, but she was in fact beautiful, in a large, fierce way. The mare submitted to her absolutely. When she said, "Move your foot!" the mare moved her foot. The woman wiped her down all over, put the saddle blanket back on her, and made sure she was standing in the sun. "She'll be all right," she said. "There's a gash, but if you'll wash it with warm salt water four or five times a day, it'll heal clean, I'm sorry." She said the last honestly, though grudgingly, as if she still wondered how he could have let his mare stand there to be assaulted, and she looked straight at him for the first time. Her eyes were clear orange-brown, like dark topaz or amber. They were strange eyes, right on a level with his own.. They let him walk among them, wild as they were and having had nothing from men's hands but saw that his companion was in distress, and said, "I'll get you out of here. Fetch a carter from." Worms," said the helmsman, the master's brother. "Catch fish anywhere near Roke, you'll find em." "We went farthest east," Azver said. "But do you know what the leader of an army is, in my him. He drew closer to Irian. He felt the warmth of her body. She stood staring, in that animal. "Your name is beautiful, Irioth," she said after a while.
