Wishing to end the line of the Kargish kings but unwilling to risk sacrilege by shedding royal blood, the Godking ordered these children to be stranded on a desert island. Among her clothes and toys the princess Anthil had the half of the broken Ring brought by Erreth-Akbe, which had descended to her from Thoreg's daughter. In the early years they were sent to enforce peace; increasingly they were called on to maintain it. While the throne in Havnor remained empty, for over two hundred years Roke School served effectively as the central government of the Archipelago..Since the name of the person is the person, in the most literal and absolute sense, anyone who knows it has real power, power of life and death, over the person. Claiming no title or court privilege in the days of the kings, through all the dark years after Maharion fell they held their land and people with firm hands, putting their gains back into the land, upholding some sort of justice, and fighting off petty tyrants. As order and peace returned to the Archipelago under the sway of the wise men of Roke, for a while yet the family and their farms and villages prospered. That prosperity and the beauty of the meadows and upland pastures and oak-crowned hills made the domain a byword, so that people said, "as fat as a cow of Iria", or, "as lucky as an Irian".
