He dries his hands thoroughly on paper towels, but then holds them under one of the hot-air blowers, "I know. Maybe we can get Gustav and Steve working on it together." The inverted logic that had puzzled him had not been something peculiar to the military mind; it was just that the military mind was the only

one he had ever really known. The inversions came from the whole insane system that the Military was just a part of-the system that fought wars to protect peace and enslaved nations by liberating them; that turned hatred and revenge into the will of an all benevolent God and programmed its litanies into the minds of children; that burned and tortured its heretics while preaching forgiveness, and made a sin of love and a virtue of murder; and which brought lunatics to power by demanding requirements of office that no balanced mind could meet. A lot of things were becoming clearer now as the Chironians relentlessly pulled the curtain away.. "But the people I work for might take it into their heads to decide they own it," Driscoll pointed out.. "In the Orderly Room. Hanlon got him up earlier.. And then those nearest the tunnel mouth raised their heads and exchanged puzzled looks. The relief detachment from B Company marched from the exit of the shuttle to take up positions in from of the ramp, and Sirocco stepped forward to address the advance guard. "Ship detail, atten-shun! Two ranks in marching order, fall . . . in!" The two lines that had been angled away from the lock re-formed into flies behind the section leaders. "Sentry details will detach and fall out at stations. By the left.. march!" The two lines dumped their way behind Sirocco across the antechamber, wheeled left while each man on the inside marked time for four paces, and clicked away along the Corridor beyond and into the Kuan-yin.. Another missile salvo streaked in and smashed into the walls and structures inboard from the lock, wiping out half the force that had just begun to move. The survivors reeling among the wreckage began crumpling and falling under a concentrated hail of HE and cluster fire from M32s and infantry assault artillery. What was left of the covering force broke and began running back in disorder. "Get everybody out! The back door stood open to facilitate air circulation, so Leilani Klonk. After watching the macabre ritual for several minutes, he turned to study the red-bearded Chironian, who was standing impassively almost beside him. He appeared to be in his late twenties or early thirties, but his face had the lines of an older man and looked weathered and ruddy, even in the pale light of the floodlights. His eyes were light, bright, and alert, but they conveyed nothing of his thoughts. "How did it happen?" Colman murmured in a low voice, moving a pace nearer.. the dog might otherwise inspire him to be.. "You couldn't afford one.. ". "She sort of flies a little." Rickster quickly closed his hands. Standing in profile to. This was a private establishment with a dedicated, friendly staff. Noah appreciated their professionalism.. Fierce as she has never been before, Old Yeller lunges toward the woman. Snarling, snapping, foaming.. she had rudely presumed to monitor and restrict Micky's use of alcohol. Such meddling required. Even as he thought that, Eve's words about brainwashing came back to him. Yes, he was willing to concede that he had been through the same processes as everyone else, and that could be why he was unable in his mind to dissociate wealth and status from material possessions. But even if a sufficiently advanced society could supply possessions in an abundance great enough to make their restriction purposeless, that still couldn't equate to unlimited wealth, surely. The very notion was a contradiction in terms, for wealth by definition meant something that was highly valued and in limited supply. In other words, if on Chiron possessions did not equate to wealth and thereby satisfy the universal human hunger to be judged a success, then what did?. Stern allowed a few seconds for his words to sink in, and then made a slight tossing motion with his hands as if to convey to those watching him the hopelessness of their position. "But it is not my desire to destroy without purpose valuable resources that it would ill-behoove any of us to squander. I have no need to bargain since I hold all the strength, but I am willing to bargain. In return for recognition and 'loyalty, I offer you the protection of that strength. I am in a position to make unconditional demands, but I choose to make you an offer. So, you see, my terms are not ungenerous.. ". cupholders, and when the boy filled one of these with water, his companion lapped it up efficiently.. "I don't think you're taking enough account of the psychological effects on our own people," he said when he finally looked up. "Morale is high now that we're nearly there, and I don't want to spoil it. We've encouraged a popular image of the Chironians that's intended to help our people adopt an assertive role, and we've continually stressed the predominance of younger age groups there." He shook his head. "Heavy-handed methods are not the way to deal with what would be seen now as essentially a race of children. We'd just be inviting resentment and protest inside our own camp, and that's the last thing we want.
