At.Outside, Stanislaw shut down the flight-control systems, then walked into the passenger compartment without turning on the cabin lights to join Colman, Maddock, Fuller, and Carson, who were sitting with a large picture-cratepropped between them, and a pile of cartons, tools, and packing materials around their feet. Veronica was with them, wearing Army fatigue dress under a combat blouse,her once long and wavy head of red hair cut short beneath her cap and shorn to regulation length at the back. Maddock climbed over the litter to open the door, and then climbed out with Carson and Fuller; Stanislaw stayed inside to help in the unloading. Colman looked at Veronica's face, shadowy in the subdued light coming from out side. "Feel okay?" he asked.. "I suppose not." Sirocco conceded, deflating with a disappointed sigh. After a second he looked up sharply again. "I'll do a deal with you though. Tell me after this is all over, okay?". "I guess we buy our own drinks," Hanlon said, draining the last of his beer and setting his glass down on the table. "Looks like it," Stanislaw agreed..half a mile ahead, at the top of a rise, traffic has come to a complete stop..she had rudely presumed to monitor and restrict Micky's use of alcohol. Leilani did the best that she could with the skills she had and with the materials at her. "You do now." Merrick arched his fingers in front of his face. "Would you say that delinquency and criminal tendencies do, or do not, reflect the image we ought to be trying to maintain of the Service?" Pernak glanced at Eve for a moment. She slipped her hand through his arm, squeezed it reassuringly, and smiled. They both looked back at Lechat. "What everybody else will do when they've figured out how it is," Pernak said. He grinned, almost apologetically. "That's why we won't be able to help much, Paul. You see, we're leaving." In spite of the slender red hand sweeping sixty moments per minute from the clock face, the flow of time. Colman snorted derisively. "You call that fun?" "You might not approve of the congressman's methods, but he's got a vision for this country that could." "We're still the some people," Jay said from the end of the sofa, looking at his mother. "That's not going to change. If you're going to act dumb, you can do that anywhere." To Bernard's mild surprise Jay had shown a lively interest in the conversation all through dinner and had elected to sit in afterward. About time too, Bernard thought to himself. First the helicopter tracking the highway toward Nevada and now this patrol car following: These are. "On your way?" lean asked Pernak. "How do you know he'll go along with it?" Barbara asked. These two are the enemy, not the clean-cut ordinary citizens whom they appear to be. No doubt about. After trembling against the boot toe, the five-dollar bill blows free . . . and twirls under the truck. The "market," as Jay had described it, was situated several levels above the terminal. To get to it they used a series of escalators. A lot of people were milling about. Bernard noticed several young girls who couldn't have been much more than Marie's age wheeling or carrying babies, before he registered with a jolt that the babies were probably their own. Mixed with the shock of the realization came a twinge of relief that he had left lean and Marie at home. Explaining this was going to require some delicate handling. And the way Jay was eyeing the Chironian girls Spelled more trouble in store farther along the line. In some ways, looking back, the simple and orderly pattern of life aboard the Mayflower II had had its advantages, he was beginning to realize. "We don't have cats." Leilani blinked. "Oh." She grinned. "Good one." She hooked her right hand into an. enough for me." Geneva poured lemonade. "Pretend it's Budweiser." To Micky, Leilani said, "She thinks. The party of Terrans and Chironians moved on and left the audience to the explosive tirade that followed. "Those were hardly more than children," Eve Verritty murmured. ?I didn't see any of that myself. It's what I was told happened to Luki." .what do you think I'm talking around? You brought it up, so you must suspect something." .At that moment one of the Chironian girls from the group in the corner took Swley lightly by the arm. "I thought you were getting some more drinks," she said. "We're all drying up over there. I'll give you a hand. Then you can come back and tell us more about the Mafia. The conversation was just getting interesting." .a gun under them." .Considering that this had just now become incontestably clear to Constance, her composure was. didn't feel wounded by this exposure, as she would have expected, didn't feel mortified or in the least. Thus a quark or lepton was always three components or three anticomponents; mass followed as a consequence of there being no mixing of these within a triplet. Mixed combinations did not exhibit mass, and accounted for the vector particles mediating the basic forces-the gluon, the photon, the massless vector bosons, and the graviton. "I'd love a piece, thanks," Leilani said. .out of suitcases for the short time they were here. In fact, suitcases were open on a bench at the foot of. triumph. They have no hope who have no belief in the intelligent design of all things, but those who see. "Yeah, but it never quite makes up for always being the bearer of had news." He stepped back from the. Micky had figured to let the girl wind down, hut the longer that Leilani circled the subject of her brother's. mad, insane. There's a lot of that going around. Dressed in sandals and baggy plaid shorts and a T-shirt. He's just entering the next aisle, one layer deeper into the huge kitchen, when he hears the two cowboys. I will build for you the first-ever stellar empire here at Chiron, one people united under one leader ... united in will, united in action, and united in purpose. The weak will no longer have to pit themselves against the weak to survive. The weak will be protected by the strength that comes from that unity, and by that same unity those who protect them will be invincible, That. . . Is what I offer to share." .stopped panting. .tires. "Engineering. That's the one you're with, isn't it?" .short-sleeved top. On the back of the shirt, a cool yellow-and-red logo said ROSWELL, NEW. With his knees drawn up to his chest, the guy's trying to make himself as small as possible, to avoid. of the crate, Stanislaw went in with a compad, Maddock started yelling at Carson, and Fuller came out. .haunting. .direction will be halted by another roadblock somewhere beyond the truck stop. .Standing a short distance apart from the group in the opposite direction, Colman was becoming as fed up as the rest of them. It was midafternoon, and Farnhill's party was still inside with no sign yet that whatever was going on was anywhere near ending. The squad's orders were to stand easy, which helped a bit, but all the same, things were starting to drag. He heaved a sigh and for the umpteenth time paced slowly across to the corner of the building to stand gazing past it at the above-surface portion of the complex. Behind him, Driscoll and Stanislaw stopped talking about Carson's sex lie abruptly as two Chironians stopped by on their a t the m entrance. .Bernard shrugged. "What the hell? It's done now. We needed the exercise." .Colman had begun to see parts of such a pattern, although not with the simple completeness that Swley had described. What Swley was saying might be true as far as it went, but Colman was certain that in Kath's case Swley had, for once, missed something, something more personal than just political motivation. .campground for an evening, and we never see them again. Sinsemilla long ago chopped loose her family. .Borftein thought about the remark for a-few seconds. "Do you think that could be what Stern's hoping for?" His tone betrayed that the thought hadn't registered fully until then. .a rattle of words raps out of him between guffaws: "Oh, damn . . . I'm splat... in the middle . . . of Forrest. Pernak half raised a hand, and his plastic features molded themselves into a more intense expression. "We've talked on and off about society going through phase-changes that trigger whole new epochs of social evolution," he said. "Well, that's exactly what's happened down there. You can't extrapolate any of our rules into this culture. They don't apply. They don't work on Chiron." "Thoroughly and repeatedly. There is no risk that the Mayflower II might be exposed at any time," Gaulitz answered. .Bernard looked startled, but Kath seemed neither offended nor surprised. "I thought you might be," she said, nodding half to herself. "Nanook told me about that." She looked at Bernard. "We don't have a lot of time for secrets," she told him. "Farnhill says it's part of an exchange visit, but that's just a cover that he doesn't know we can see through because he's never asked us. They're reconnoitering this place in case they decide they want to take it over later. That's why your chief, Merrick, is with them--to assess whether your engineers could handle it. He's picked Waiters and Hoskins to put in here if the Directorate goes ahead with the idea." .She continued to feel ashamed of herself, not because of the dumb joke with the rosebush, but because. Juanita saw the expressions on Bernard's and lay's faces. "Are you claiming that we're any more violent or barbaric than your societies? We've never had a war. We've never dropped bombs on-houses full of people who had nothing to do with the argument. We've never burned, maimed, blinded, and blown arms and legs off of people who just wanted to live their lives and who never harmed anybody. We've never shot anyone who didn't ask for it. Can you say the

same? Okay, so the system's not perfect. Is yours?".The darkness of the woods.. "And their idea was that Snow White?she ought to look virginal. I don't know why." .pickled slugs, and crushed-insect protein. The earthworm pie sort of put an end to all that.
